Rules of Play

Refer to your CYSF handbook. With the exceptions listed here, the rules and guidelines that apply to fall soccer apply to spring soccer too.

Rosters

- **Every player must be registered and rostered** on an association signed 2010 spring league roster. See ALC player restrictions.
- **Playing an illegal (unregistered) player carries the same penalty during the spring season as it does in the fall season – coaches will be suspended from coaching.**
- Coaches are to sign a photocopy of their Game Roster and give to the referee before each game.

Playing Time

The 50% minimum playing time rule applies to all ages and all divisions.

Major change for spring league only - okay to borrow players

Please do not cancel a game because of not enough players. A team may borrow players from the **opposing team** or they can play smaller sided games, 5v5; 6v6 etc as long as the 50% playing time requirement is met. The rule that a team must have 7 players to start a game is waived in this spring league. Teams should have same # of players on the field. All teams will have home and away games.

- A association signed roster must be provided to the referee before every game
- 50% playing time rule is still in place
- Disciplinary is the same as fall season.

Players on the field

All team ages listed are fall 2009 ages.

2010 CYSF Recreational Teams U-6 thru U-19 SPRING SOCCER

Scores

Scores are not reported nor are standings maintained in spring.

Coaches should make every effort to keep scores reasonable and the game enjoyable for all. Running up the score will not be tolerated. Do not hold your team back but provide a challenge for them by encouraging them to play 5- pass, or not shoot closer than 18 yard box, etc. If there are two complaints about a team running up the score, the coach will be required to attend a disciplinary meeting in order for the team to continue in the league.

Schedules

Schedules will be posted on the CYSF website, www.cysfsoccer.org by March 3rd, 2010.

Age groups with fewer than 5 teams participating may be combined with younger or older age groups. To ensure equitable brackets, at the discretion of the CYSF VP of Competition, some teams may be assigned to play up or down from their actual team age.

Uniforms

- Clubs may use T-shirts instead of usual jerseys as long as numbers are on shirts according to FIFA rules and club colors are used.
- All teams must wear their club colors.
- Home team is responsible for changing of the team uniform in the event of a color conflict, pennies maybe used.

Red & Yellow Cards

If you or any of your players are given a red or yellow card – you will be contacted by CYSF VP of disciplinary.
