

How to Reschedule your Game

If you cannot make a scheduled game, you will forfeit the game UNLESS you and the opposing coach can agree to reschedule. For the good of the players, please try to reschedule.

Steps to reschedule:

- Contact the opposing coach to confirm they are open to a reschedule.
- If you are home team, contact your club Fields Rep to see what dates/times/locations are available. If you are the visiting team, ask the other coach to do this.
- Notify the original hosting club Fields Rep and Referee Assignor of the impending change as soon as possible.
- Confirm the new date/time/location with the other coach.
- Contact the hosting club Fields Rep and Referee Assignor with the reschedule date/time/location.
- Send a courtesy email to lauren@pacifier.com letting the CYSF Competition Coordinators know of the game change and reason.

Please be aware that when wanting to reschedule a game field space is limited and you may need to schedule a weeknight game.
